

Your PWS Journey - the ground-breaking new resource, is now available for parents and carers of children and adults with PWS!

Would you like to be able to find everything you need to know about PWS in one place?

Would you like it to be appropriate to your child's age?

Your PWS Journey is the world's first comprehensive guide containing all the information you will need about PWS in eight separate volumes from birth right through to adulthood.

Each Journey contains age-appropriate, in-depth information and tips about health care, diet, behaviour, education and residential care through to advice about benefits and details of other organisations that can help.

Your PWS Journey is available completely *FREE* to every subscribed member of PWSA UK, so to make sure you don't miss out, join [here](#) now for only £2 per month!

Birth to 2 years - essential info on diagnosis support, feeding, weaning, developing your child's potential and much, much more

2 - 5 years – essential info on Growth Hormone treatment, EHC plans, choosing a school and much, much more

5 - 10 years – essential info on education, health issues, telling your child about PWS and much, much more

10 - 13 years – essential info on behaviour management, information for senior schools staff and much, much more

13 - 18 years – essential info on your teenager at school, further education and options after school, social life and relationships and much, much more

18 - 25 years – essential info on education, work and training, information for college staff, residential care and supported living, Mental Capacity and the Mental Capacity Act and much, much more

25 - 40 years – essential info on developing skills, work and training, health and social services, preparing for the future and much, much more

40+ years – essential info on work and training, ageing and PWS and much, much more

. . . **and** when your child or adult reaches another age stage, we will automatically send you the next Journey so you can always have the most up-to-date and in-depth information about PWS at your fingertips when you need it!

Already a member? It would be great to get your feedback so that we can be continually improving our literature.
