My fundraising is for the Prader-Willi Syndrome Association UK. Prader-Willi Syndrome is a rare genetic disorder that can affect both boys and girls from birth. An individual with PWS may have mild to severe learning difficulties together with immature physical and emotional development and they cannot remove the feeling of hunger no matter how much they eat. PWSA UK is dedicated to supporting those with PWS, their families and carers. Your support is appreciated - **thank you.**

Would you like to make your donation worth even more at no extra cost to you?

If you are a UK tax payer, you can use Gift Aid to increase the value of your donation. Tick the box and PWSA UK can claim tax relief of 25p for every £1 you give - a £10 donation will increase in value to £12.50. It won't cost you any extra but it increases the charity's funds considerably.

To qualify for Gift Aid, you must pay UK Income Tax and/or Capital Gains Tax at least equal to the tax that the charity claims on your donations in the appropriate tax year. Tax year is 6 April one year to 5 April the next.
